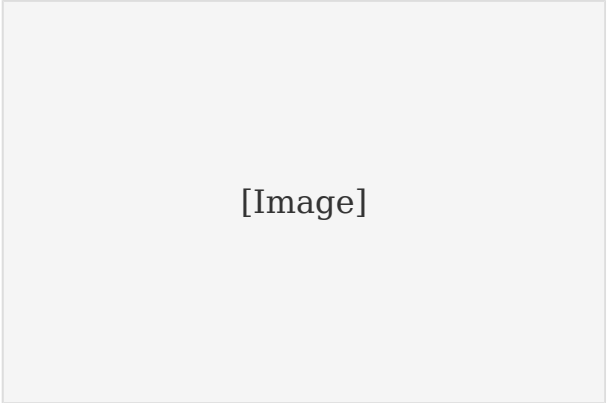
Annual statistics - Center for the Study of Global Christianity

Status of Global Christianity 2025



Every year in the International Bulletin of Mission Research we present an annual snapshot of global Christianity, a one-page version of which can be downloaded for free here: Status of Global Christianity 2025. The table provides a statistical overview of the world's 2.6 billion Christians and their activities.

Our 2022 article in the *International Bulletin of Mission Research*, with its corresponding tables, is available in several other languages. Translations of the 2025 article are forthcoming.
